

## It must have been love (BSO Pretty Woman) by Roxette

But it's over nowIt must (6) been (7) but it's over nowLay a whisper on my pillowIt's (8) the water flowsLeave the winter on the groundIt's where the wind blowsI wake up lonelyIt must have been love but it's over nowthere's air of silence in the bedroom and all aroundIt must have been love but it's over nowTouch me now, I close my eyes and dream awayIt must have been love but it's over nowIt (2) have been love but it's over nowFrom the moment we touchedIt must have been good but I lost it somehowTill the time had run outIt (3) have been love but it's over nowIt must have been (9) but it's over nowFrom the moment we touchedIt was all that I wanted, now I'm living withoutTill the time had run outIt must have been love but it's over nowMake believing we're togetherIt's where the water flowsThat I'm (4) by your heartIt's where the wind blowsBut in and outsideIt must have been love but it's over nowI've (5) to water like a teardrop in your palmIt must have been love but it's over nowAnd it's a hard winter's day I dream awayIt must have been love but it's over now	It must have been (1)	It was all that I wanted, now I'm living without
