

It must have been love but it's over now

It must have been love (BSO Pretty Woman) by Roxette

It must have been love	It was all that I wanted, now I'm living without
But it's over now	It must have been love but it's over now
Lay a whisper on my pillow	It's where the water flows
Leave the winter on the ground	It's where the wind blows
I (1) up lonely	It must have been love but it's over now
there's air of silence in the bedroom and all around	It must have been good but I lost it somehow
(2) me now, I close my eyes and dream away	It must have been love but it's over now
It must have been (3) but it's (4) now	From the moment we touched
It must have been (5) but I lost it somehow	Till the time had run out
It (6) have been love but it's over now	It must have been love but it's over now
From the moment we touched	It was all that I wanted, now I'm living without
Till the time had run out	It must have been love but it's over now
Make believing we're together	It's where the water flows
(7) I'm sheltered by your heart	It's where the wind blows
But in and outside	It (8) have been love but it's (9) now
I've turned to water like a teardrop in your palm	It must have been love but it's (10) now
And it's a hard winter's day I dream away
