

Fill in the gaps

You're always such a fool
And in your eyes, so blue
I see the (1) I never had before
Do you remember when
We used to live things separate
We hadn't met or thought
That could be possible
I'm glad you had your life
So good so listen to your past
All of (2) things brought you with me
And now we're two
You're always such a fool
And in your eyes so blue
I see the (3) I never had before
You always talk so smooth
And then in your voice, so true
I hear the dream
I never had before
But if I try to think of something (4) (5) this
Heaven comes (6)
And reminds the luck we live
You're always such a fool
And in your (7) so blue
I see the (8) I (9) had before
You always talk so smooth
And then in your voice, so true
I hear the dream, I hear the dream
