

## Fill in the gaps

I walk (1) with smoke in my eyes	Our house is burning down
It's like we don't know (2) we've been	Our house is burning
That's it, boy, just state your case	We're the keepers
You're just as wrong as you were then	While we sleep in America
One tough move throw your hands up	Our house is burning down
See I don't (3) no rules	Our house is burning
No one even knows I'm here	Down, down it burns down
Now it's on you to man up	Our (7) is burning down
You say no weight will hang on what you say	And not a thing I've done abates my fear
We're the keepers	And not a thing I've done abates
While we sleep in America	And still although our hearts can't run
Our house is burning down	We are going, we are going on the heels
Our house is burning	Of (8) we have done
We're the keepers	We're the keepers
While we sleep in America	While we sleep in America
Our house is burning down	Our house is burning down
Our house is burning down,	Our (9) is burning
Down it burns down	We're the keepers
Our house is burning down	While we sleep in America
Ask me why a dream gets you by	Our house is burning down
But let it want, that's a dangerous thing	Our house is burning
Watch out for it, it (4) right past	We're the keepers
Then (5) around and it sucks you in	While we sleep in America
What happens when you get stuck	Our house is burning down
Get to the bottom of the illusion that you're in	Our house is burning
From the roots now it's shook up	Down, down it burns down
Know that (6) ails without will do you in	Our (10) is burning down
We're the keepers
