

## Fill in the gaps

You can be amazing	
You can turn a phrase into a weapon or a drug	
You can be the outcast	
Or be the backlash	
Of somebody's lack of love	
Or you can start speaking up	
Nothing's going to hurt you the way that words do	
When they settle (1) your skin	
Kept on the inside and no sunlight	
Sometimes a shadow wins	
But I (2) what would (3)	
ou/ou	
Say what you want to say	
And let the words fall out	
Honestly, I want to see you be brave	
With what you want to say	
And let the words fall out	
Honestly, I want to see you be brave	
I just want to see you	
I (4) want to see you	
I (5) want to see you	
I want to see you be brave	
I just want to see you	
I just want to see you	
I (6) want to see you	
I want to see you be brave	
Everybody's been there	
Everybody's been stared down by the enemy	
Fallen for the fear and done some disappearing	
Bow down to the mighty	
Don't run, stop holding your tongue	
Maybe there's a way out of the cage where you live	
Maybe one of these days you can let the light in	
(7) me how big your (8)	is

Say what you want to say

And let the words fall out
Honestly, I want to see you be brave
With (9) you want to say
And let the words fall out
Honestly, I want to see you be brave
Innocence, your history of silence
Won't do you any good
Did you think it would?
Let your words be anything but empty
Why don't you tell them the truth?
Say what you wanna say
And let the words fall out
Honestly I want to see you be brave
With (10) you want to say
And let the words fall out
Honestly I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
