

Fill in the gaps

You can be amazing	And let the (7)	fall out
You can turn a phrase into a weapon or a drug	Honestly, I want to see you be brave	
You can be the outcast	With what you want to say	
Or be the backlash	And let the words fall out	
Of somebody's lack of love	Honestly, I want to see you be brave	
Or you can start speaking up	Innocence, your history of silence	
Nothing's going to hurt you the way that words do	Won't do you any good	
(1) they settle beneath your skin	Did you think it would?	
Kept on the inside and no sunlight	Let your (8)	be anything but empty
Sometimes a (2) wins	Why don't you tell them the truth?	
But I wonder what would happen if you	Say what you wanna say	
Say what you want to say	And let the words fall out	
And let the words fall out	Honestly I want to see you be brave	
Honestly, I want to see you be brave	(9) what you want to say	
With what you want to say	And let the words fall out	
And let the words fall out	Honestly I want to see you be brave	
Honestly, I want to see you be brave	I just want to see you	
I just want to see you	I just want to see you	
I just want to see you	I just want to see you	
l just (3) to see you	I want to see you be brave	
I want to see you be brave	I just want to see you	
l just (4) to see you	I just want to see you	
I just want to see you	I just want to see you	
I just want to see you	I want to see you be brave	
I want to see you be brave	I just want to see you	
Everybody's been there	I just want to see you	
Everybody's been stared down by the enemy	I just want to see you	
(5) for the fear and done some disappearing	I want to see you be brave	
Bow down to the mighty	I just want to see you	
Don't run, (6) holding your tongue	I just want to see you	
Maybe there's a way out of the cage where you live	I just want to see you	
Maybe one of these days you can let the light in		
Show me how big your bravery is
