

Fill in the gaps

Girl, it's been a long time	(13) take all my (14) away
that we've been apart	There's no one (15) you
Much too long for a man who (1) love	I can't wait for the nights with you
I miss you (2) I've been away	I (16) the things we'd do
Babe, it (3) easy to (4) you	I just (17) be loved by you
alone	No one (18) you
It's getting harder each time that I go	I can't wait for the (19) with you
If I had the choice, I would stay	I imagine the (20) we'll do
(5) no one like you	I just wanna be loved by you
I can't (6) for the nights with you	No one like you
I imagine the things we'd do	I (21) wait for the nights (22) you
I just (7) be loved by you	I imagine the (23) we'll do
No one like you	I just (24) be loved by you
I can't wait for the nights with you	No one like you
I imagine the things we'd do	I can't wait for the nights with you
I just (8) be loved by you	I imagine the things we'll do
Girl, there are really no words strong enough	I just wanna be (25) by you
To describe all my longing for love	
I don't want my (9) restrained	
Oh, babe, I just (10) you like never before	
(11) imagine you'd (12) through this	
door
