

## Fill in the gaps

## The trouble with girls by Scotty McCreery

The trouble with girls is they're a mystery	And they bat those eyes
(1) about them puzzles me	(14) steal you with "hello"
(2) my whole life trying to figure out	(15) (16) you with "good bye"
Just what them girls are all about	They hook you with one touch
The trouble with (3)	And you can't (17) free
Is they're so dang pretty	Yeah, the trouble with (18)
Everything about them does something to me	Is nobody loves trouble as much as me
But I (4) that's the way it's suppose to be	The way they (19) you out on the dance floor
They smile, that smile	The way (20) ride in the (21) of
They bat those eyes	(22) truck
(5) steal you with "hello"	The way (23) (24) you a kiss at the
They kill you with "good bye"	front door
They hook you with one (6)	But if you're wishing you could've gone up
And you can't break free	And just as you walk away
Yeah, the trouble with girls	You hear that sweet voice say: "stay"
Is nobody loves trouble as much as me	They smile, that smile
They're (7) and spice and (8)	And they bat those eyes
wings	(25) steal you with "hello"
And hell on heels and tight blue jeans	(26) kill you (27) "good bye"
A summer night, (9) by the lake	They're the perfect (28)
An old (10) that you can't shake	And I can't (29) free
They're hard to find, yet there's so many of them	Yeah, the trouble with girls
The way (11) you hate, that you already	Is nobody loves trouble as much as me
(12) them	
But I (13) that's the way it's suppose to be	
They smile, that smile
