

## Fill in the gaps

## God save the Queen by Sex pistols

| God save the queen            |                  | When there's no future           |               |  |
|-------------------------------|------------------|----------------------------------|---------------|--|
| The (1)                       | regime           | How can there be sin             |               |  |
| They made you a moron         |                  | We're the flowers in the dustbin |               |  |
| (2)                           | _ H-bomb         | We're the poison in (11)         | human machine |  |
| God (3) the queen             |                  | We're the future, your future    |               |  |
| She ain't no human being      |                  | God save the queen               |               |  |
| And there is no future        |                  | We mean it man                   |               |  |
| In England's dreaming         |                  | We love our queen                |               |  |
| Don't be (4) do               | what you want to | God saves                        |               |  |
| And don't be told do (5)_     | you need         | God (12) the queen               |               |  |
| There's no future, no future, |                  | We mean it man                   |               |  |
| No (6) for you                |                  | And (13) is no future            | ure           |  |
| God save the queen            |                  | In England's dreaming            |               |  |
| We (7) it man                 |                  | No future, no future,            |               |  |
| We love our queen             |                  | No future for you                |               |  |
| God saves                     |                  | No future, no future,            |               |  |
| God (8) the qu                | een              | No (14) for me                   |               |  |
| Because tourists are money    |                  | No future, no future,            |               |  |
| And our figurehead            |                  | No future for you                |               |  |
| Is not what she seems         |                  | No future, no future             |               |  |
| Oh God save history           |                  | For you                          |               |  |
| God save (9) r                | mad parade       |                                  |               |  |
| Oh (10) God h                 | ave mercy        |                                  |               |  |
| All crimes are paid           |                  |                                  |               |  |

- 1. fascist
