

## Fill in the gaps

The (1) surrounds	When you (12) me in
I watch it rain	You (13) me nighty night
I watch it trickle down	Just (14) I've been wrong
And I feel so clear	I'm doing this now
You let it out	I've done it all along
I (2) it disappears	And I can't believe in nothing
I (3) quite know	Or (15) that I can't see
Just where it ends	You (16) it's better (17) it's
Just where the water flows	(18) been
And I can't (4) see	And that's good enough for me
Just where it was	Your love was bittersweet, bittersweet, bittersweet,
Just where it use to be	it's bittersweet
And I (5) in nothing	Your love was killing me, killing me, (19)
Or anyone that I can't see	me,
You know (7) better than it's ever been	it's killing me
And (8) good enough for me	-This is the best day of my life-
Your love was bittersweet, bittersweet, bittersweet,	(bis x3)
(9) bittersweet	I (20) believe in nothing
Your love is killing me, killing me, (10) me,	Or anyone that I can't see
it's killing me	You know (21) (22) than it's
Yes I (11) the line	ever been
I do it now	And it's good (23) for me
I've done it all the time	Your (24) was bittersweet, bittersweet
And I feel so free	bittersweet,
You let me out	it's bittersweet
You let me be my be, be my be	Your love was (25) me,
And I don't feel quite so right	(26) me, killing me,
	it's killing me
	-This is the best day of my life-
	-It was the best day of my life-
