One night stand by Sick of Sarah

Fill in the gaps

I'll make you wonder	
I'll make you wonder now	
Give your fingertips a break	
I'll take you under	
I'll make you wonder now	
I'll make you wonder	
Give your (1)	a break
I'll take you under	
I'll take you under	
And when it starts back into night	
(2) ask me if I wa	nt to play
Come and chase me through the night	and
Feel this fine line escalate	
I'll make you wonder	
I'll make you wonder now	
Give your fingertips a break	
I'll take you under	
I'll make you wonder	
Let me whisper melodies	
Pull me in a little more	
Pull me close, serenity	
If you can't stop me	
No you'll do it	
Now (3) do it	
No you do it again	
And (4) you wake up	
In yesterday's makeup	
You left me with the message	
"Can we still be friends?"	
And when it starts back into night	
(5) ask me if I wa	nt to play

Come and chase me through the night and
Feel this (6) line escalate
I can't believe you're
I can't believe you're gone
I can't (7) you're
I can't believe you're gone
You were my little favourite feeling
Let's sing la la la la
You are my new favourite feeling
You are my little favourite feeling
Singing whoa
I catched you at the right time
Not my feeling, not my feeling
If you can't stop me
No you'll do it
Now you'll do it
No you do it again
And when you wake up
In yesterday's makeup
You left me with the message
"Can we still be friends?"
And when it (8) back into night
(9) ask me if I want to play
Come and chase me through the night and
Feel me taste your breath away
I can't believe you're
I can't believe you're gone
I can't believe you're
I can't believe (10) gone
