

Fill in the gaps

The sound of silence by Simon & Garfunkel

Hello darkness, my c	ld friend		(15) voi	ces never share	
I've (1) to	(2) with ye	ou again	And no one dare		
Because a (3)	softly creep	ping	(16)	the (17)	of silence
Left its seeds (4) I was sleeping			"Fools" said I		
And the vision that was (5) in my			You do not know silence like a cancer grows		
(6)			Hear my words that I might (18) you		
Still remains			Take my arms that I might (19) you		
Within the sound of s	ilence		But my words	like (20)	raindrops
In (7) (8) I walked alone			(21)		
			And echoed in the wells of silence		
Narrow streets of cobblestone			And the people bowed and (22)		
Neath the halo of a street (9)			To the neon god they made		
I turned my (10) to the cold and			And the sign flashed out its (23)		
(11)			In the words that it was forming		
When my eyes were stabbed			And the sign said		
By the flash of a neon light			"The (24)	of the prophets	
That split the (12)			Are written on the subway walls		
And touched the sou	nd of silence.		And (25)	halls	
And in the naked (13) I saw			And whispered in the sounds of silence"		
Ten thousand people	, maybe more.				
People talking withou	ıt speaking				
People hearing without	ut listening				
People (14) songs
