Give Me One Reason by Tracy Chapman

Give me one (1) to stay here and I'll turn right	I just want someone to hold me
back around	Oh, and rock me through the night
Give me one (2) to stay here and I'll turn right	This youthful heart can love you, yes, and give what you need
back around	I (7) this youthful heart can love you, oh, and give
Said I don't wanna leave you lonely	what you need
You got to make me change my mind	But I'm too old to go chasing you around wasting my precious
Baby I got your number and I know that you got mine	energy
You know (3) I called you I called too many times	Give me one reason to stay here, yes, and I'll turn right back
You can call me baby	around
You can call me anytime, but you got to call me	(You can see me turnin')
Give me one (4) to stay here and I'll turn right	Give me one reason to stay here, whoa, and I'll (8)
back around	right back around
(You can see me turnin')	(You can see me turnin')
Give me one reason to stay here and I'll turn (5)	Said I don't wanna leave you lonely
back around	You got to (9) me change my mind
(You can see me turnin')	Baby just gives me one reason
Said I don't wanna leave you lonely	Oh, just give me (10) one reason why
You got to (6) me change my mind	Baby just gives me one reason
I don't want no one to squeeze me	Oh, just give me just one reason why I should stay
They might take away my life	Said I told you that I loved you and there ain't no more to say
