Give Me One Reason by Tracy Chapman

Give me one reason to stay here and I'll (1) right	I just want someone to hold me
back around	Oh, and rock me through the night
Give me one reason to stay here and I'll turn (2)	This youthful heart can love you, yes, and give what you need
back around	I said this youthful heart can love you, oh, and give what you
Said I don't wanna leave you lonely	need
You got to make me change my mind	But I'm too old to go chasing you (3) wasting
Baby I got your number and I know that you got mine	my precious energy
You know that I called you I called too many times	Give me one reason to (4) here, yes, and I'll turn
You can call me baby	(5) back around
You can call me anytime, but you got to call me	(You can see me turnin')
Give me one reason to stay here and I'll turn right back	Give me one reason to stay here, whoa, and I'll (6)
around	(7) back around
(You can see me turnin')	(You can see me turnin')
Give me one reason to stay here and I'll turn right back	Said I don't wanna leave you lonely
around	You got to make me change my mind
(You can see me turnin')	Baby just gives me one reason
Said I don't wanna leave you lonely	Oh, just (8) me just one reason why
You got to make me change my mind	Baby just gives me one reason
I don't want no one to squeeze me	Oh, (9) give me just one reason why I should stay
They might take away my life	Said I told you that I loved you and there ain't no more to say
