You called my name in the dark
(1) me (2) to the start
The condensation is building tension
Stubborn silence is formed
Around our bodies it's warm
The cool wet grasses as summer passes
Frightened under attack
Fallen (3) on my back
(4) and legs
I'm too scared to beg
Harm me most when it's light
Thought of you don't sit right
I need the darkness a desperate embrace
(5) cities to dust

(6) in lust (8) empires and raging bushfires All your (9) unfounded Secret lives bound in bed Living backwards and tangled back words Ruined everything right So good can't see the light From my cave I can see the wave
