

## Fill in the gaps

You (1) the place (2)	we meet	With all your mystery
Where you and I become she and he		Come on and hit me
I'm not as (3) as I (4)	to be	With (7) majesty
You feel the scratches and scars		Come on and hit me
You (5) the parts of me we call ours		(8) all your mystery
But drop me once and I'll fall to bits		So come on and hit me
(6) on and hit me		With your majesty
With your majesty		Come on and hit me
Come on and hit me		With all your mystery
With all your mystery		Come on and hit me
And the moment we touch we are young		With your majesty
You feel my pulse and we become one		Come on and hit me
But drop me once and I'll fall to bits		With all your mystery
Come on and hit me		
With your majesty		
Come on and hit me
