

## Fill in the gaps

### Everything has changed by Taylor Swift

All I knew this morning when I woke is  
I know something now, know something now I didn't before  
And all I've seen since 18 hours ago is  
Green eyes and freckles and your smile  
In the back of my mind making me (1)\_\_\_\_\_ like  
I just want to (2)\_\_\_\_\_ you better, know you better  
Know you better now  
I just want to know you better, know you better  
(3)\_\_\_\_\_ you better now  
I just want to know you better, know you better  
Know you better now  
I just want to know you, know you, know you  
Because all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name and everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know (4)\_\_\_\_\_ yesterday is everything has  
changed  
And all my walls  
Stood tall painted blue  
But I'll take (5)\_\_\_\_\_ down, take them down  
And open up the door for you  
And all I feel in my stomach is butterflies  
The beautiful kind making up for lost time  
Taking flight, making me feel like  
I just want to know you better, know you better  
Know you better now  
I just want to know you better, know you better  
Know you better now  
I just want to know you better, know you better

Know you better now  
I just want to (6)\_\_\_\_\_ you, know you, know you  
Because all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name and everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed  
(7)\_\_\_\_\_ back and tell me why I'm feeling like  
I've missed you all this time  
And meet me there tonight  
And let me know that it's not all in my mind  
I just want to know you better, know you better  
Know you better now  
I just want to know you, (8)\_\_\_\_\_ you, know you  
Because all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name and everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed  
All I know is we said hello  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a new (9)\_\_\_\_\_ grace  
All my days, I'll know your face  
All I know since yesterday is everything has changed
