Everything has changed by Taylor Swift

All I knew this morning $(1)_{-}$	I woke is	Know you better now		
I know (2)	now, know something now	I just want to know you, know you, know you		
didn't before		Because all I know is we said hello		
And all I've seen since 18 hours ago is		And your eyes look like coming home		
Green eyes and (3) and your smile		All I know is a (18) (19)	and	
In the (4) of my mind making me (5)		everything has changed		
ike		All I (20) is you held the door		
I (6) want to (7) you better, know you		You'll be mine and I'll be yours		
petter		All I know since yesterday is everything has changed		
Know you better now		Come back and tell me why I'm feeling like		
I just want to know you better, know you better		I've missed you all (21) time		
Know you better now		And meet me there tonight		
I just want to know you better, know you better		And let me know that it's not all in my mind		
Know you better now		I just want to know you better, (22) you better		
I just want to know you, know you, (8) you		Know you (23) now		
Because all I know is we (9) hello		I (24) want to know you, know you, (25)		
And your eyes look like coming home		you

And all my walls		You'll be mine and I'll be yours		
Stood tall (13) blue		All I know since yesterday is everything has changed		
But I'll (14) them down, take them down		All I know is we said hello		
And open up the door for you		So (27) off your highest hopes		
And all I feel in my stomach is butterflies		All I know is pouring rain		
The beautiful kind (15) up for lost time		And everything has changed		
Taking flight, making me feel like		All I know is a new found grace
