Everything has changed by Taylor Swift

All I knew this (1)_____ when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green eyes and freckles and your smile
In the (2)_____ of my mind making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I (3)_____ want to know you better, know you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
And all my walls
Stood tall painted blue
But I'll take them down, take them down
And open up the door for you
And all I feel in my stomach is butterflies
The (4)_____ kind making up for lost time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better
Know you better now
I just want to know you better, know you better

Know you (5)_____ now
I just want to know you, know you, know you
Because all I (6)_____ is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I know is you held the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
Come back and tell me why I'm feeling like
I've missed you all this time
And (7)_____ me there tonight
And let me know that it's not all in my mind
I just want to know you better, (8)_____ you better
Know you better now
I just want to know you, know you, know you
Because all I know is we said hello
And your (9)_____ look like coming home
All I know is a simple name and everything has changed
All I know is you (10)_____ the door
You'll be mine and I'll be yours
All I know since yesterday is everything has changed
All I know is we said hello
So dust off your highest hopes
All I know is pouring rain
And everything has changed

All my days, I'll know your face
All I know since yesterday is everything has changed
