Any place is better	You've got a a fast car
Starting from zero, got nothing to lose	We go cruising entertain ourselves

Managed to save (1) a little bit of money	Buy a bigger house and live in the suburbs
Won't have to drive too far	Say remember when we were driving, driving in (9)
Just cross the border and into the city	car
You and I can both get jobs	Speeds so fast it felt like I was drunk
And finally see what it means to be living	City lights lay out before us
See my old man's got a problem	And your arm felt nice wrapped 'round my shoulder
Live with the bottle, that's the way it is	And I had a feeling that I belonged

His body's too young, to look like his	You've got a fast car

Is it fast enough so we can fly away?	I got no plans and I ain't going nowhere
We gotta make a decision	So take your fast car and keep on driving
Leave tonight or live and die this way	You've got a fast car
Say remember when we (4) driving, driving in your	Is it fast enough so you can fly away?
