The Star Wars that I used to know by Teddie Films

Now and then I think of when I was in power	But Star Wars will be done my way
Like choking people with the Force until they died	I don't care what they have to say
But then you told them all my history	I think that they should let it go
And took away my masculinity	Or they'll never get the Blu-Ray
And had my character (1) by	Of the Star (5) that you used to know
(2) actors	You didn't have to change it all
You are now addicted to an overuse of graphics	No more puppets, no more practical effects or nothing
And making Greedo shoot first? Han shot first!	I don't even need your love
So when you tried to have the Force make sense	But you treat me like a Bantha and that feels so cold
You introduced the midichlorians	No you didn't have to sell your soul
And what's the deal with (3) me be dubbed	Do we really need to watch (6) all again in 3D?
over	Jar Jar was an all time low
But you didn't have to change it all	What happened to the Star Wars that I used to know?
Make them like they never happened	The movies
And the fans are nothing	I used to know
I don't even need your love	The movies
But you treat me like a (4) and that feels so	What happened to the Star Wars that I (7) to
rough	know?
No you didn't have to make them blow	The movies
Have your friends direct your movies	I used to know
And they'll turn out better	The movies
You think that you don't need them though	What happened to the Star (8) that I (9)
What happened to the Star Wars that I used to know?	to know
What happened to the Star Wars that I used to know	I used to know
What happened to the Star Wars that I used to know	That I (10) to know
What happened to the Star Wars that I used to know	I used to know
Now and then I think of all the times	That I used to know
I screwed fans over
