

Fill in the gaps

The Star Wars that I used to know by Teddie Films

Now and then I (1) of (2) I was in	But Star Wars will be done my way
power	I don't care what (20) have to say
(3) choking people with the Force until they died	I think that they should let it go
But (4) you told them all my history	Or they'll never get the Blu-Ray
And took away my masculinity	Of the Star Wars (21) you (22) to know
And had my character (5) by subpar	You didn't have to change it all
actors	No more puppets, no more practical effects or nothing
You are now addicted to an overuse of graphics	I don't even need your love
And (6) Greedo shoot first? Han shot first!	But you treat me like a Bantha and that feels so cold
So when you (7) to have the Force make sense	No you didn't have to sell (23) soul
You introduced the midichlorians	Do we really (24) to watch them all
And what's the deal (8) (9) me be	(25) in 3D?
dubbed over	Jar Jar was an all (26) low
But you didn't (10) to change it all	What happened to the Star Wars that I used to know?
Make them like they never (11)	The movies
And the fans are nothing	I used to know
I don't even need your love	The movies
But you treat me like a Bantha and that (12) so	What happened to the (27) (28) that I
rough	used to know?
No you didn't have to make them blow	The movies
Have your friends (13) your movies	I used to know
And they'll turn out better	The movies
You think that you don't need them though	What happened to the Star Wars that I used to know
(14) happened to the (15) Wars that I	I used to know
used to know?	That I used to know
What happened to the Star Wars that I used to know	I used to know
What happened to the Star Wars (16) I used to	That I used to know
know	
What happened to the Star Wars that I used to know	
Now and then I (17) of all the times	
I screwed fans over	
I had them (18) that the first three	
(19)	
Were really done
