Goodbye by Tegan and Sara

Fill in the gaps

Goodbye, I don't want to	Saw me like they did
(1) the need to hear your voice	You never really loved me
Goodbye, I don't want to	Never really, never really loved me
Feel the need to see your face	Loved me like they did
I can't live with all (2) things I (3)	You could have told me goodbye
say	You could have told me goodbye
I can't live with all these things that I'd say	You let me try
Goodbye, goodbye, goodbye	Knowing there was nothing
Like the first time	I could do to change you
Goodbye, goodbye, goodbye	You could (7) warned me
Like the first time	(8) there was nothing
You never really knew me	I could do to change you
Never ever, never ever saw me	You never really knew me
Saw me like they did	Never ever, never ever saw me
You never really loved me	Saw me like they did
Never really, never really (4) me	You never (9) loved me
Loved me (5) they did	Never really, never really loved me
With some time I might want to	Loved me like they did
See the way that you've changed	Goodbye, goodbye, goodbye
With some time I might want to	Like the first time
See how you've been	Goodbye, goodbye, goodbye
What you cannot blame	Like the first time
I can't stand it	You never really knew me
All these things I forego	Never ever, never ever saw me
I can't stand it	Saw me like they did
All these things I let go	You never really loved me
Goodbye, goodbye, goodbye	Never really, never really loved me
Like the first time	Loved me like (10) did
Goodbye, goodbye, goodbye	
Like the first time	
You never really knew me	
Never ever, never (6) saw me
