

## Fill in the gaps

Do you (1) I searched you out?
How I climbed your city's walls
Do you remember me as devout?
How I prayed for your calls
I stood still, it's what I did
Love like ours is never fixed
I (2) around
I did behave
I saved you every time
I was a fool for love
I was a fool for love
I was a fool, I was a fool
Then you blamed me and blocked me out
How long did you think I'd last?
Then you disappeared for weeks to pout
How many times could I pack?
But stand still is all I did
Love (3) ours is never fixed
Still I stuck around
I did behave

I saved you every time
I was a fool for love
I was a fool for love
I was a fool, I was a fool
If you're worried that I (4) have changed
Left (5) all of my foolish ways
You best be looking for somebody else
Without a (6) heart, a foolish heart
But (7) still is all we did
Love like ours is never fixed
I stuck around
I did behave
I (8) you every time
I was a fool for love
I was a fool for love
I was a fool, I was a fool
I was a fool, I was a fool
