

Fill in the gaps

I (1) you on the day we wed	If you go before I do
I was (2) you till I's dead	I'm gonna tell the gravedigger that he better dig two
Made you wait till our (4) night	Dig two
That's the first and the last time I'll wear white	I took your name
So if the ties that bind ever do (5) loose	When I (15) those vows
Tie them in a knot like a hangman's noose	I meant them back then and I (16) them right now
Because I'll go to (6) or I'll go to hell	Oh, right now
(7) I'll see you (8) someone else	If the ties that (17) ever do come loose
Put me in the ground	If forever (18) ends for you
Put me six foot down	If that ring gets a (19) too tight
And let the (9) say	You might as well (20) me my last rites
Here (10) the girl whose only crutch	And let the (21) say
Was loving one man just a little too much	(22) lies the girl whose only crutch
If you go before I do	Was loving one man just a little too much
I'm gonna tell the gravedigger that he better dig two	If you go (23) I do
Well, it won't be whiskey, it won't be meth	Gonna tell the gravedigger that he better dig -two, two-
It'll be (11) name on my last breath	There'll be a stone (24) (25) to mine
If (12) or death ever do us part	We'll be (26) till the end of time
The coroner will call it a broken heart	Don't you go before I do
So put me in the ground	I'm gonna tell the gravedigger (27) he
Put me six (13) down	(28) dig two
And let the stone say	I told you on the day we wed
(14) lies the girl whose only crutch	I was gonna love you till I's dead
Was loving one man just a little too much
