

## Fill in the gaps

Help! I need somebody	I (8) that I just need you
Help! not just anybody	Like I've never done before
Help! you know I need (1)	Help me if you can, I'm feeling down
Help!	And I do appreciate you being round
When I was younger	Help me get my feet back on the ground
so much younger than today	Won't you please, please help me?
I never needed	When I was younger,
anybody's help in any way	So much younger than today
And now these days are gone	I never needed anybody's help in any way
I'm not so (2) assured	But now these days are gone,
Now I find I've changed my mind	I'm not so self assured
I've (3) up the doors	Now I find I've changed my mind
(4) me if you can	I've opened up the doors
	Help me if you can,
I'm feeling down	
And I do appreciate you being round	I'm feeling down
Help me get my feet back on the ground	And I do appreciate you (9)
Won't you please, please help me?	round
And now my (5) has changed in oh	Help me, get my feet back on the ground
so many ways	Won't you please please help me?
My (6) seems	Help me, help me
to (7) in the haze	
And now these days are gone	
I'm not so self assured
