

Fill in the gaps

I (1) you in the shape of the night	Then I guess we'll stay
But not as a prisoner of war	Because if it doesn't you'll never
Tell the analysis it isn't alright	Ever, ever ever, ever ever
Because (2) part of the mind	Ever love me again.
Is dressed in childish decor	Never ever love me again
And when the sun comes out, I'll ask to play	Never (6) (7) me again
And if you don't have money we'll work all day	(8) love me again
And there's a time and a place	Never again
She said: well, this is that place	Never love me again
We've got to think ahead or we'll have to retrace	I'm just a child
The little engine that could	And you're just a child
Was the engine that would now	And I'm just a child
I told you I'd never	Well I'm just a child, and you're just a child
Ever, ever ever, ever ever	I'm just a child, just a child, just a child and
Ever hurt you again	You're just a child, (9) a child, just a child and
I'm fine all alone in my own head	I'm just a child, just a child, (10) a child and
That's if you just say that you won't ever (3) me	You're just a child, just a child, just a child and
Oh, I can see, (4) you are meant to be	It's time for us to play
Stuck like my skeleton key in stability	It's time for us to play
Though, we can (5) it in	It's time for us to play
Yes, we can turn it anyway	
And if it turns anyway
