

Fill in the gaps

I kept you in the shape of the night
But not as a prisoner of war
Tell the analysis it isn't alright
Because this part of the mind
Is dressed in childish decor
And when the sun comes out, I'll ask to play
And if you don't have money we'll work all day
And there's a time and a place
She (1) well, this is that place
We've got to think ahead or we'll have to retrace
The little (2) that could
Was the (3) that would now
I told you I'd never
Ever, ever ever, ever, (4) ever
Ever hurt you again
I'm fine all (5) in my own head
That's if you just say that you won't ever leave me
Oh, I can see, that you are meant to be
Stuck like my skeleton key in stability
Though, we can turn it in
Yes, we can turn it anyway
And if it turns anyway

Then I guess we'll stay	
Because if it doesn't you'll never	
Ever, ever ever, ever ever	
Ever love me again.	
(6) ever love me again	
Never ever hurt me again	
(7) love me again	
Never again	
Never love me again	
I'm just a child	
And you're just a child	
And I'm (8) a child	
Well I'm just a child, and you're (9) a child	
I'm just a child, just a child, just a child and	
You're just a child, just a child, just a child and	
I'm just a child, just a child, just a child and	
You're just a child, just a child, just a (10) an	d
It's time for us to play	
It's time for us to play	
It's time for us to play
