A little tenderness and truth, I didn't ask for much, no

Miss Atomic Bomb by The Killers You (1)_____ standing with your girlfriends in the street (2)____ back on (3)_____

(2) back on (3)	(13) about (14) at the wrong
I wonder what you came to be	(15)
I was new in town, the boy with the eager eyes	At the wrong time
I never was a quitter	Miss Atomic Bomb
Oblivious to schoolgirls' lies	(16) out we've got the radio on
(4) I look back on those neon lights	You're gonna miss me when I'm gone
The leather seats, the passage rite	You're gonna (17) me (18) I'm gone
I feel the heat, I see the light	(19) (20) under moonlight
Miss Atomic Bomb	We're taking chances on a hot night
Making out, we've got the radio on	And for a second there we'd won
You're gonna miss me when I'm gone	Yeah we (21) innocent and young
You're (5) miss me (6) I'm gone	The dust cloud has settled, and my eyes are clear
Racing shadows under moonlight	But (22) in dreams of
Through the desert on a hot night	(23) I (24) hear
And for a second there we'd won	Miss Atomic Bomb, I'm standing here
Yeah, we were innocent and young	Sweat on my skin
Cast out of the night, well you've got a foolish heart	And this (25) that I've cradled
So you took your place	Is wearing thin
But the fall from grace was the hardest part	But I'm standing here and you're too late
It feels (7) like a dagger	Your shock (26) whisper has sealed your fate
Buried (8) in your back	Feels just like a dagger
You run for cover	Buried deep in your back
But you can't escape the second attack	You run for cover
(9) soul was innocent	But you can't escape the second attack
She (10) him and she (11)	Your soul was innocent
t black	She kissed him and she (27) it
You should have seen (12) little face	(28)
Burning for love, holding on for your life	You should have (29) your little face burning for
All that I wanted was a little touch	love
