

Fill in the gaps

You were (1)	with your girlfriends in the	A little tenderness and truth, I didn't ask for much, no
street		Talk about being at the wrong place
Falling back on forever		At the wrong time
I (2) what you (3) to be		Miss Atomic Bomb
I was new in town, the boy with the eager eyes		Making out we've got the radio on
I never was a quitter		You're gonna miss me when I'm gone
Oblivious to schoolgirls' lies		You're gonna miss me when I'm gone
(4) I look back on those neon lights		Racing shadows under moonlight
The leather seats, the passage rite		We're taking chances on a hot night
I feel the heat, I see the light		And for a second there we'd won
Miss Atomic Bomb		Yeah we were innocent and young
Making out, we've got the radio on		The dust cloud has settled, and my eyes are clear
You're gonna miss me when I'm gone		But sometimes in dreams of (7) I still hear
You're gonna miss me when I'm gone		Miss Atomic Bomb, I'm standing here
Racing shadows under moonlight		Sweat on my skin
Through the desert on a hot night		And (8) love that I've cradled
And for a second there we'd won		Is wearing (9)
Yeah, we were innocent and young		But I'm standing here and you're too late
Cast out of the night, well you've got a foolish heart		Your shock wave whisper has sealed (10) fate
So you took your place		Feels just like a dagger
But the fall from grace was the hardest part		Buried deep in your back
It feels just like a dagger		You run for cover
Buried deep in (5) back		But you can't escape the second attack
You run for cover		Your soul was innocent
But you can't escape the second attack		She kissed him and she painted it black
Your soul was innocent		You should have seen your little face burning for love
She kissed him and she painted it black		-Miss Atomic Bomb-
You should have seen your litt	le face	
Burning for love, holding on fo	r (6) life	
All that I wanted was a little too	uch
