So soon we, so soon we		
So soon we're too old to carry		
And we knew it, and we knew it		
And we knew we only had a little while		
In the middle, in the middle		
In the middle (1) keep ticking over		
Before you know it, before you know it		
(2) you (3) it parent's a parent		
To have it all, to have it all		
To have it all and still want more		
One thing's for sure, one thing's for sure		
One thing's for sure we're all getting older		
So we take a lover, so we take a lover		
So we take a lover waiting in the corner		
And before you (4) it, before you know it,		
Before you know it, pushing up the daisies		
And we go back to where we came from		
Like those before and those to come		
And know it's the ever and the more		
And again and again we go		
In the end, In the end		
In the end nothing comes easy		
So you (5) a way, so you find a way		

So you find a way to take a (6)	with you
