

Fill in the gaps

So soon we, so soon we
So (1) we're too old to carry
And we knew it, and we knew it
And we knew we only had a little while
In the middle, in the middle
In the middle just keep ticking over
Before you know it, before you know it
Before you know it parent's a parent
To have it all, to have it all
To (2) it all and still want more
One thing's for sure, one thing's for sure
One thing's for (3) we're all getting older
So we (4) a lover, so we take a lover
So we take a lover waiting in the corner
And before you know it, before you know it,
Before you know it, pushing up the daisies
And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And again and again we go
In the end, In the end
In the end nothing comes easy
So you find a way, so you find a way

So you find a way to take a little with you
For the ones you love, for the ones you love
For the (5) you love there's if they need too
Pharaoh, pharaoh
Pharaoh they're not coming (6) you.
And we go back to (7) we came from
Like those before and those to come
And know it's the ever and the more
And again and again
So (8) we, so soon we
So soon we're too old to carry
And we knew it, and we knew it
Abd we knew we only had a little while
In the middle, in the middle
In the middle just keep ticking over
Before you know it, (9) you know it
Before you know it parent's a parent
And we go back to where we came from
Like (10) before and those to come
And know it's the ever and the more
And again and again and again
