

## Fill in the gaps

My woman said	(6) up the family, you broke up my family
While still lying in bed	No, no, I don't (7) like going home
Touch me nice, or not at all	I said, no, no, I don't feel like (8) home
I feel composed	I said no, no, I don't feel like going home
Due to a smack on my nose	I said, no, no, I don't (9) like going home
It came from a grave	Because of what you said
These are happy days	Broke up the family, what you said
No, no, I don't (1) going home	Broke up the family, what you said
I said, no, no, I don't (3) (4) going	Broke up the family, you broke up my family
home	Broke up the family, what you said
Because of what you said	Broke up the family, what you said
Broke up the family, what you said	Broke up the family, you broke up my family
Broke up the family, what you said	No, no, I don't feel like going home
Broke up the family, you broke up my family	I said, no, no, I don't feel like going home
And you're in love, with the idea of	I said, no, no, I don't feel like going home
Feeling good, all of the time	I said, no, no, I don't feel like going home
And you gotta kill, just to be that out free	Broke up the family, what you said
And that means oh, in the fiery line	Broke up the family, what you said
No, no, I don't feel like going home	Broke up the family, mother fu**er broke up my family
I said, no, no, I don't feel like going home	
Because of what you said	
Broke up the family, what you said	
Broke up the family, what you (5)
