

## Fill in the gaps

Against the opinion		Any time we lose	
I have decided to lay (1) my feel	ings	We're gonna lose control	
With a brutal blow		Every time we fight	
We lost our (2) and (3)	ain't	We get a little stronger	
coming		Any time we lose	
(4) you gonna do?		We're gonna lose control	
Do you remember?		Help me now	
We were young and sober		What you gonna do about it?	
On dirty pavements we were the happiest s	oul	(7) you (8)	do now about it?
Kiss (5) carved that (6)	one	What you gonna do about it?	
another		What you gonna do now about it?	
What we gonna do about it?		What you gonna do about it?	
Everytime we fight		What you gonna do about it?	
We get a little stronger		Every (9) we fight	
Any time we lose		We get a little stronger	
We're gonna lose control		Any time we lose	
Everytime we fight		We're gonna lose control	
We get a little stronger		Every time we fight	
Any time we lose		We get a little stronger	
We're gonna lose control		Any time we lose	
What to believe in when change ain't comin	g	We're gonna lose control	
Good luck avoiding the bitching down		(10) me now	
They watch you stealing			
It's how you left me feeling			
What you gonna do about it?			
Every time we fight			
We get a little stronger
