

you don't understand

## Fill in the gaps

A (1) day,	When you take a life,
everything seems all right	you are (16) mine
A thirteen year old,	You don't understand,
with a gun in his hand	you don't understand
He left for school,	What (17) been growing with patience and
waving goodbye	love
Not knowing (2) now,	has fallen apart
here is no way back.	A normal day,
All that was given,	everything seems all right
ne will take it away	A thirteen (18) old,
He doesn't even care,	betrayed by his dad
here are (3) to blame.	He left for school,
Then (4) a (5) girl,	waving goodbye
hat was running late	Not knowing that now,
She (6) and she bleeds,	there is no way back.

When you take a life,	you (22) understand
you are taking mine	When you take a life,
You don't understand,	you are taking mine

What we've been growing (9) patience and	you don't understand
