

Fill in the gaps

Standing, on the edge of forever,	There's progress now where there once was none,
At the start of whatever,	where there (13) was ah, (14)
Shouting love at the world.	everything (15) along.
Back then, we (1) like cavemen,	Although no one understood,
We'd beam at the moon and the stars,	we were holding back the flood
Then we forgave them.	learning how to dance the rain.
We will meet you where the (2) are,	There was more of them (16) us
The defenders, of the faith we are.	now they'll never (17) again.
Where the thunder turns around	Although no one understood
they'll run so hard we'll tear the ground away.	there was more of (18) than us
You know no one dies,	learning how to dance the rain,
in these love (3) lies,	We were (19) back the flood
Through our love drowned eyes,	they said we'd (20) dance again.
we'll (4) you sleep tonight.	We will meet you where the lights are,
Although no one understood	The defenders, of the (21) we are.
we (5) 6) back the flood,	Where the thunder turns around
Learning how to dance the rain.	they'll run so (22) we'll (23) the ground
We were holding (7) the flood	away.
they said we'd never (8) again.	Although no one understood,
Bleeding, but none of us leaving,	there was (24) of (25) than us
Watch your mouth son or you'll find yourself floating home.	learning how to dance the rain.
Here we (9) now on a (10) star,	(learning how to (26) the rain)
seeing demons, not what we are.	There was more of them than us
Tiny (11) and (12) hands	now they'll never dance again.
hands will try to strike but now will end today.	Now we'll never (27) again.
	Oh ahh, Oh ahh, Oh ahh, Oh aah, Oh ahh, Oh ahh.
