View (from an airplane window) by The Monomes

It feels so strange to be out of place	is lost (14) my secrets
When you (1) you're breathing in different air	I miss you
I search for feelings that I try to trace	I try to find you in my suitcase
With a gin and tonic rocking in my chair	My memories are
The (2) can spread	locked inside a box
but I know you aren't there	and there's a key that would open it
And I'll hide myself in a bottle of beer	is lost inside my secrets
(3) my memories are	I miss you
locked inside a box	I try to find you in my suitcase
and there's a key that would open it	(15) sky torn apart (16) a
is (4) inside my secrets	drum
I miss you	(17) a (18) like a tear of my soul
I try to (5) you in my suitcase	The man stood still (19) his mind aware
The sun is gone, but the light still burns	'Cause my memories are
The view up here	locked inside a box
(6) me be the clear	and there's a key that would open it
Let me (7) my ball	is lost inside my secrets
and you will appear	I (20) you
(8) I think tonight	I try to find you in my suitcase
I (9) be sleeping here	My memories are
Cerulean sky (10) apart like a (11)	(21) inside a box
like a strum	and there's a key that would open it
like a tear of my soul	is (22) inside my secrets
The man (12) still with his mind aware	I (23) you
cause my memories are	I try to find you in my suitcase
locked (13) a box	
and there's a key that would open it
