It feels so strange to be out of place	is lost inside my secrets
When you (1) you're breathing in different air	I miss you
I search for feelings that I try to trace	I try to find you in my suitcase
With a gin and tonic rocking in my chair	My memories are
The taste can spread	locked inside a box
but I know you aren't there	and there's a key (7) would open it
And I'll hide myself in a bottle of beer	is lost inside my secrets
'Cause my memories are	I miss you
locked (2) a box	I try to find you in my suitcase
and there's a key that would open it	Cerulean sky torn apart like a drum
is (3) inside my secrets	like a strum like a tear of my soul
I miss you	The man stood still with his mind aware
I try to find you in my suitcase	'Cause my memories are
The sun is gone, but the light still burns	locked inside a box
The view up here	and there's a key (8) would (9)
makes me be the clear	is lost inside my secrets
Let me shake my ball	I miss you
and you will appear	I try to find you in my suitcase
Although I think tonight	My memories are
I (4) be sleeping here	locked inside a box
Cerulean sky torn apart like a (5)	and there's a key that would open it
like a strum	is lost inside my secrets
like a tear of my soul	I miss you
The man (6) still with his mind aware	I try to find you in my suitcase
'cause my memories are	
locked inside a box	
and there's a key that would open it
