

Fill in the gaps

Sweater weather by The Neighbourhood

And all I am is a man
I want the world in my hands
I hate the beach
But I stand in California with my toes in the sand
Use the sleeves on my sweater
Let's have an adventure
Head in the clouds but my gravity's centered
Touch my neck and I'll touch yours
You in those little high waisted shorts
Oh, she knows what I think about
And what I think about
One love, two mouths
One love, one house
No shirt, no blouse
Just us, you find out
Nothing I really want to tell you about, no
Because it's too cold for you here
And now, so let me hold both your hands
In the (1)_____ of my sweater
Before I may just take your breath away
I don't mind because now I might to say
Sometimes the silence guides your mind
So move to a place so far away
The goosebumps start to race
The (2)_____ (3)_____ my left hand
Meets (4)_____ waist
And (5)_____ I watch your face

Put my finger on your tongue because you love to taste
This heart's a door
Everyone the other be touched is for
Inside this (6)_____ is warm
Outside it starts to pour
Coming down
One love, two mouths
One love, one house
No shirt, no blouse
Just us, you find out
Nothing I really (7)_____ to (8)_____ you about, no
Because it's too cold for you here
And now, so let me hold both your hands
In the holes of my sweater
(9)_____ it's too cold for you here
And now, so let me hold both your hands
In the holes of my sweater
Because it's too cold for you here
And now, so let me hold both (10)_____ hands
In the holes of my sweater
Because it's too cold for you here
And now, let me hold both your hands
In the holes of my sweater
It's too cold, it's too cold
The holes of my sweater

Answer

1. holes
2. minute
3. that
4. your
