The kick in our ass says it's time to close	And the band was on playing our song
We're leaning on (1) other	We messed up the lyrics as we sang along
Trying to beat the cold	But we didn't care
Carry your shoes and I give you my coat	Because it felt like we were the only ones there
Walking these streets	Our feet were sure
Like they (2) paved gold	Our thoughts were raw
There ain't anymore excuses not to go	They're turning on the lights, but we're shouting more
Neither one of us want to (3) that taxi home	We're shouting more
Singing our hearts out, (4) on chairs	Singing our hearts out, standing on chairs
Spending our time, like we were millionaires	Spending our time like we were millionaires
Laughing our heads off, the two of us there	Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires	Spending our time like we were millionaires, millionaires
Lost my heart and I hoped to die	Check out us since six in the morning
Seeing that sunlight hit your eyes	If time was money, yeah we'd be worth a fortune
Been up all night	I swear, you may think you're rich
Been up all night But you still (5) amazing to me	I swear, you may think you're rich You (9) have a million (10)
, ,	
But you still (5) amazing to me	You (9) have a million (10)
But you still (5) amazing to me Half the (6) of the night you only dream about	You (9) have a million (10) But you can't buy this
But you still (5) amazing to me Half the (6) of the night you only dream about If God (7) down could take me now	You (9) have a million (10) But you can't buy this Look at us since six in the morning
But you still (5) amazing to me Half the (6) of the night you only dream about If God (7) down could take me now Because in my mind, we will always be	You (9) have a million (10) But you can't buy this Look at us since six in the morning If time was money, yeah we'd be worth a fortune
