The (1) in our ass says it's time to close	And the band was on playing our song
We're leaning on each other	We messed up the lyrics as we sang along
Trying to (2) the cold	But we didn't care
Carry your shoes and I give you my coat	Because it felt like we were the only ones there
Walking these streets	Our feet were sure
Like they were paved gold	Our thoughts were raw
There ain't anymore excuses not to go	They're turning on the lights, but we're shouting more
Neither one of us want to take that taxi home	We're (8) more
(3) our hearts out, standing on chairs	Singing our hearts out, standing on chairs
Spending our time, like we (4) millionaires	Spending our time like we were millionaires
Laughing our heads off, the two of us there	Laughing our heads off, the two of us there
Spending our time (5) we were millionaires,	Spending our time like we were millionaires, millionaires
millionaires	Check out us since six in the morning
Lost my heart and I hoped to die	If time was money, yeah we'd be worth a fortune
Seeing that sunlight hit your eyes	I swear, you may think you're rich
Been up all night	You could have a million euro
But you still (6) amazing to me	But you can't buy this
Half the time of the night you only dream about	Look at us since six in the morning
If God came down could take me now	If (9) was money, yeah we'd be worth a fortune
Because in my mind, we will always be	I swear, you may think you're rich
Singing our hearts out, standing on chairs	You could have a million euro
Spending our time like we were millionaires	But you can't buy this
Laughing our heads off, the two of us there	Walking these streets
Spending our time like we were millionaires, millionaires	Like they're paved gold
Check out us since six in the morning	There ain't anymore excuses not to go
If time was money, yeah we'd be (7) a fortune	Neither one of us want to take that taxi home
I swear, you may think you're rich	
You could have a million euro	
But you can't buy this
