

In this Grafton Street on a rainy night

Fill in the gaps

It's been a while since the two of us talked	I was down on one knee and you were mine for life
About a week (1) the day that you walked	We were thinking we would never be apart
Knowing things would never be the same	With (17) name tattooed across my heart
(2) your empty heart and (3) full of pain	Who would have thought it (18) end up like
So explain to me, how we (4) to this	this?
Take it back to the (5) we kissed	Where everything we talked about is gone
It was Dublin (6) on a Friday night	And the (19) chance we have of moving on
There (7) (8) and coke, I was	Is try to take it (20) it all went
Guinness all night	wrong
We were sitting with our backs against the world	Before the worst, before we mend
Saying (9) (10) we thought but	Before our hearts decide
never heard	It's time to (22) again
Who would have (11) it would end up like	Before too late
this?	Before too long
Where everything we talked (12) is gone?	Let's try to (23) it back before it all went wrong
And the only chance we have of moving on	And if the clouds don't clear
Is try to take it back before it all (13) wrong	(24) we'll rise above it, we'll rise above it
Before the worst, before we mend	Heaven's gate is so near
(14) our hearts decide	Come (25) with me through
It's time to love again	(26) like we used to, just like we used to
Before too late	Let's take it (27) before it all went wrong
(15) too long	Before the worst, (28) we mend
Let's try to take it back before it all went wrong	Before our hearts (29)
There was a time	It's time to love again
That we'd stay up all night	Before too late
Best friends yet talking till the daylight	Before too long
Took the (16) alongside the pain	Let's try to take it back before it all went wrong
With not much to loose, but so much to gain	
Are you hearing me? Because I don't wanna miss you	
You were adrift on memory bliss
