## Six degrees of separation by The Script

You've read the books, you've watched the show	First, you think the worst is a broken heart
What's the (1) way no one (2) ye?	What's gonna kill you is the second part
Meditate get hypnotized	And the third, Is when your world splits down the middle
Anything to take it from (3) mind	And fourth, you're gonna think that you fixed yourself
But it won't go	Fifth, you see her out with someone else
You're doing all these things out of desperation	And the sixth, is when you admit
You're going (4) six (5)	That you may have fu*ked up a little
of separation	Oh no there's no (16) over
Ye hit the drink, ye take a toke	Without (17) closure
Watch the past go up in smoke	You take (18) back no hesitation
Ye fake a smile, ye lie and say	That's when you know
You're better now than ever and your life's okay	You've reached the sixth degree of separation
