If you ever come back by The Script

Fill in the gaps

If you're standing with your suitcase But you can't step on the train Everything's the way that you left it I still haven't slept yet And if you're covering your face now But you (1)____ can't hide the pain Still setting two plates on the counter But eating without you If the truth is you're a liar Then just say that you're okay I'm sleeping on (2)_____ side of the bed Going out of my head now And if you're up and (3)____ __ to move on But something pulls you back again I'm sitting here trying to persuade you Like you're in the same room And I wish you could give me the cold shoulder And I wish you could still give me a hard time And I wish I could still wish it was over But even if wishing is a waste of time Even if I never cross your mind I'll leave the door on the latch If you ever come back, if you ever come back There'll be a light in the hall and the key under the mat If you ever come back There'll be a smile on my face and the kettle on And it will be just like you were never gone There'll be a light in the hall and the key under the mat If you ever come back, if you ever come back know Oh if you ever come back, if you ever come back Now they say I'm wasting my time Because you're never coming home But they used to say the (4)_ ____ was flat But how wrong was that now?

And by leaving my door open I'm risking everything I own

There's nothing I can lose in a break-in

(5) you haven't taken	
And I wish you could give me the cold shoulder	
And I wish you can still give me a hard time	
And I wish I could still wish it was over	
But even if wishing is a waste of time	
Even if I never cross your mind	
I'll leave the door on the latch	
If you ever (6) back, if you ever come back	
There'll be a light in the hall and the key under the mat	
If you ever come back	
There'll be a smile on my face and the (7)	on
And it will be just like you were never gone	
There'll be a light in the hall and the key under the mat	
If you ever come back, if you ever come back now	
Oh, if you ever come back, if you ever come back	
If it's the (8) you remember	
Or the little things you miss	
I know you're out there somewhere	
So just remember this	
If it's the fighting you remember	
Or the little things you miss	
Oh just remember this, oh just remember this	
I'll leave the door on the latch	
If you ever come back, if you ever come back	
There'll be a light in the hall and the key under the mat	
If you ever come back	
There'll be a smile on my face and the (9)	on
And it will be just like you (10) never gone	
There'll be a light in the hall and the key under the mat	
If you ever come back, if you ever come back now	
Oh, if you ever come back, if you ever come back	
And it will be just like you were never gone	
And it will be just like you were never gone	
And it will be just like you were never gone	
If you ever come back, if you ever come back know	

1. just
