

Fill in the gaps

If you ever come back by The Script

If you're standing with your suitcase	That you haven't taken
But you can't step on the train	And I wish you could (18) me the cold shoulder
Everything's the way (1) you left it	And I wish you can still give me a hard time
I still haven't slept yet	And I wish I could still wish it was over
And if you're (2) your face now	But even if wishing is a waste of time
But you just can't hide the pain	Even if I never cross your mind
Still (3) two plates on the	I'll leave the door on the latch
(4)	If you (19) come back, if you (20) come
But eating without you	back
If the truth is you're a liar	There'll be a light in the hall and the key (21)
Then just say that you're okay	the mat
I'm sleeping on your side of the bed	If you ever come back
Going out of my head now	There'll be a smile on my face and the kettle on
And if you're up and trying to move on	And it will be just like you were never gone
But (5) pulls you (6) again	There'll be a light in the hall and the key under the mat
I'm sitting here trying to persuade you	If you ever come back, if you ever come back now
(7) you're in the same room	Oh, if you ever (22) back, if you ever
And I wish you (8) give me the cold shoulder	(23) back
And I wish you could still give me a hard time	If it's the fighting you remember
And I wish I (9) still wish it was over	Or the little things you miss
But even if wishing is a waste of time	I know you're out there somewhere
Even if I never cross your mind	So just remember this
I'll leave the door on the latch	If it's the fighting you remember
If you ever come back, if you ever come back	Or the (24) things you miss
There'll be a light in the (10) and the key	Oh just remember this, oh just remember this
(11) the mat	I'll (25) the door on the latch
If you ever come back	If you ever come back, if you ever come back
There'll be a smile on my face and the (12)	There'll be a light in the hall and the key under the mat
on	If you ever come back
And it will be (13) (14) you were	There'll be a smile on my face and the kettle on
(15) gone	And it will be just like you were never gone
There'll be a light in the hall and the key under the mat	There'll be a light in the hall and the key under the mat
If you ever come back, if you ever come back know	If you ever come back, if you ever come back now
Oh if you ever come back, if you ever come back	Oh, if you ever come back, if you ever come back
Now they say I'm wasting my time	And it will be just like you (26) never gone
Because you're never coming home	And it will be (27) (28) you were never
But they used to say the (16) was flat	gone
But how (17) was that now?	And it will be (29) like you were never gone
And by leaving my door open	If you ever come back, if you ever come back know
I'm risking everything I own	
There's nothing I can lose in a break-in
