Simple song by The Shins

Fill in the gaps

Welcome back home everyone,	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video shows my last will and testament.	And your breath goes in the lungs
Between my three children,	And the flow that filled the rift
I couldn't decide which of you	I know that things can really get rough
to keep the house to,	When you go in love
as (1) of you grew up here with me.	Don't go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
because, as you know, each of you hates my guts.	Could be there's nothing else in our lives
Well (2) is just a simple song	So critical as this little hole.
To see what you've done	This isn't (6) a deed to the house,
I told you about all those fears	I was kidding.
And (3) they did run	Let's be honest,
You sure must be strong	this place is full of awful memories for all of us,
Instead, I've hidden the deed somewhere in the house,	so I've already sold the estate and I am having the
and the first of you to find it (4) everything,	(7) demolished. But best of luck to all of
ready? get steady, go!	you. Love, Dad ,
You feel like an ocean	Well this isn't be a simple song
Being warmed by the sun	to say what you've done
When I was just nine years old	I told you about all those fears
I swear that I dreamt	And (8) they did run
(5) face on a football field	You (9) must be strong
And a kiss that I kept	P.S. The wrecking crew arrives at 2:00 p.m
Under my vest	And you feel like an ocean
Apart from everything, the heart in my chest	(10) warmed by the sun
I know that things can really get rough	Remember walking a mile to your house
When you go in love	That glow in the dark
Don't go thinking you gotta be tough	I made a fumbling play for your heart
Complete like a stone	And the extra of the spark
Could be there's nothing else in our lives	You wore a charm in a chain
So critical as this little hole	That I stole special for you
My life in an action boat, marooned on a cliff	Love's such a delicate thing that we do
You brought me a great big flood	We've nothing to prove
And you gave me a lift	Which I never knew
