

Fill in the gaps

Welcome (1) home everyone,	God what a gift
as you know, I am now dead,	You tell me with (15) tongue
and (2) video shows my last will and testament.	And (16) breath goes in the lungs
Between my (3) children,	And the flow that filled the rift
I couldn't decide which of you	I know that (17) can (18) get
to keep the house to,	rough
as each of you grew up here with me.	When you go in love
So I didn't choose any of you,	Don't go (19) you gotta be tough
because, as you know, each of you hates my guts.	Complete like a stone
Well (4) is just a simple song	(20) be there's nothing else in our lives
To see what you've done	So (21) as (22) little hole.
I told you about all those fears	(23) isn't actually a deed to the house, I
And (5) (6) did run	was kidding.
You (7) must be strong	Let's be honest,
Instead, I've (8) the deed somewhere in	this place is full of awful memories for all of us,
the house,	so I've already sold the estate and I am having the house
and the first of you to find it gets everything,	demolished. But best of luck to all of you. Love,
ready? get steady, go!	Dad,
You feel like an ocean	(24) this isn't be a simple (25)
Being warmed by the sun	to say what you've done
When I was (9) nine years old	I told you about all those fears
I swear (10) I dreamt	And away they did run
Your face on a football field	You sure (26) be strong
And a (11) that I kept	P.S. The (27) crew arrives at 2:00
Under my vest	p.m
Apart from everything, the heart in my chest	And you feel like an ocean
I know that things can (12) get rough	Being warmed by the sun
When you go in love	Remember walking a mile to your house
(13) go thinking you gotta be tough	That glow in the dark
Complete like a stone	I made a fumbling play for your (28)
Could be there's nothing else in our lives	And the extra of the spark
So critical as this little hole	You wore a charm in a chain
My (14) in an action boat, marooned on a cliff	That I stole (29) for you
You brought me a great big flood	Love's such a delicate thing that we do
And you gave me a lift	We've nothing to prove
	Which I never knew
