## Simple song by The Shins

And you gave me a lift

## Fill in the gaps

<em>Welcome back home everyone,</em>	God what a gift
as you know, I am now dead,	You tell me (3) your tongue
and this video shows my last will and testament.	And your breath goes in the lungs
Between my three children,	And the flow that filled the rift
couldn't decide which of you	I know that things can really get rough
to keep the house to,	When you go in love
as each of you grew up here with me.	Don't go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
pecause, as you know, each of you hates my guts.	Could be there's (4) else in our lives
Well this is (1) a simple song	So critical as this little hole.
To see what you've done	(5) isn't actually a deed to the house, I
told you about all those fears	was kidding.
And away they did run	Let's be honest,
You sure must be strong	this place is full of (6) memories for all of us,
<em>Instead, I've hidden the deed somewhere in the house,</em>	so I've already sold the estate and I am having the house
and the first of you to find it gets everything,	demolished. But best of luck to all of you. <em>Love,</em>
ready? get steady, go!	Dad,
You feel like an ocean	Well this isn't be a simple song
Being warmed by the sun	to say what you've done
When I was just nine years old	I told you about all those fears
swear that I dreamt	And away they did run
Your face on a football field	You sure (7) be strong
And a kiss that I kept	<em>P.S. The wrecking crew arrives at 2:00 p.m</em>
Under my vest	And you feel like an ocean
Apart from everything, the (2) in my chest	Being warmed by the sun
know that things can really get rough	Remember walking a mile to your house
When you go in love	That glow in the dark
Don't go thinking you gotta be tough	I made a (8) play for your heart
Complete like a stone	And the extra of the spark
Could be there's nothing else in our lives	You wore a charm in a chain
So critical as this little hole	That I stole special for you
My life in an action boat, marooned on a cliff	Love's such a delicate thing that we do
You brought me a great big flood	(9) nothing to prove

Which I never knew

- 1. just 2. heart
- 3. with
- 4. nothing
- 5. <em>This
- 6. awful
- 7. must
- 8. fumbling
- 9. We've

## Fill in the gaps
