| Those that try anything once                     |
|--|
| Should we care about the only ones?              |
| All the time that I (1) is never quite enough    |
| All the time that I have is all that's necessary |
| You're (2) a lie                                 |
| You're living a lie                              |
| You're living too fast                           |
| You gotta pray for the best                      |
| You never ask why                                |

| No one talks about the war                       |
| On my block, or by the shore                     |
| All alone in a room                              |
| Do you want (3) I want too?                      |
