Need your love by The Temper Trap

And I am a war of flesh and heart that's left undone Between the person that I was and have become

The road is pulling me into her open web	I need to love, I (6)	(7)	love,
And for a moment I escape and I forget	I need you know, I (8)	_ you	
The silhouettes behind the dust clouds (1) me	I need to love, I need your love,		
friend	I need you know, I (9)	_ your love	
But even fools know (2)	I need to love, I need your love,		
They're far and few between	I need you know, I need you		
She has (3) me on highways and	I need to love, I need your love,		
desert plains	I need you know		
Of lonely creatures singing for the summer rain	There is no resting in my heart		
And at the end of all your knees fall down to me	There is no resting in my heart		
Yeah it's something in you always (4) for	There is no resting now		
(5) real	There is no resting in my heart		
I need to love, I need your love,	There is no resting in my heart		
I need you know, I need you	There is no (10)	for the or	ne you love
I need to love, I need your love,			
I need you know, I need you			
She is my salvation in the dark			
But at night with lips of honey calls the devil's wh*re
